

**TopClass**

Smart Teaching Beyond Chalk and Talk

# Bringing the Power Of Digital Education to Classrooms

Discover the future of classroom education with TopClass, the cutting-edge digital classroom solution from NAVNEET TOPTECH. Designed to transcend traditional chalk-and-talk teaching methods, TopClass **fosters a dynamic and effective teacher learning experience**. It promotes classroom engagement and interaction through **digital resources, assessments, in-classroom activities, coursebooks**, and more.

Tailored to meet the requirements of **Maharashtra State Board, CBSE, and CBSE pattern schools**, TopClass offers an **offline model** that **enhances teaching processes, simplifies assessments, and amplifies learning outcomes**. With a comprehensive curriculum for Grades 1 to 10, TopClass is based on the principles of NCF 2023 and aligned with the guidelines of NEP 2020, emphasizing immersive, student-centric learning

# Top Features

TopClass, with its offline access, enables continuous teaching and learning even without an internet connection, ensuring uninterrupted education. Its user-friendly interface provides a seamless and intuitive experience for teachers, complete with a wealth of support resources and tools to aid effective teaching practices.

Taking a student-centric approach, TopClass focuses on individual student needs and fosters a supportive learning environment. Additionally, TopClass ensures users stay up-to-date with regular updates and improvements to the platform.

# Question Paper Generation

---

## Tailored Assessments Simplified

The TopClass Question Paper Generator is a powerful tool designed to help teachers **create, customize, and print question papers in a few clicks**. With access to a vast question bank across multiple subjects and flexible templates, this offline solution saves time and simplifies the entire assessment creation process.

## Available for Grades 9 & 10 for all Subjects (Maharashtra State Board-English Medium)

### 41,000+ Questions in Question Bank

Access a vast repository of questions for subjects.

### Offline Capability

Generate, edit, and print question papers without needing an internet connection.

### 60+ Customizable Templates

Create custom templates or use default ones for quick and flexible question paper generation.

### 100+ Worksheets and Model Answer Papers

Generate comprehensive worksheets and model answer papers.

### Editable Question Papers

Replace questions, modify marks, update headers, and hide specific questions.

### Save and Print/PDFs

Save in easy word or pdf format and print for distribution.

## Works best with TopClass

TopScorer empowers teachers with unmatched control over online learning, offering advanced tools and insights for principals and school administrators. It simplifies key academic tasks like assignments, allowing teachers to easily share videos, documents, or worksheets with students anytime. Digital content on TopScorer is available for grades 1 to 10, and assessments are available for grade 9 to 10. Teachers can also track student progress effortlessly through these assignments, making performance measurement more effective.

### With TopScorer

#### Teachers and Administrators can:

- Access curriculum
- Make learning fun and Interactive
- Get real-time reports
- Analyse performance

#### Students can:

- Learn online
- Homework online
- Give online tests
- Get performance reports

**TopScorer is a game-changer for MSB Schools**

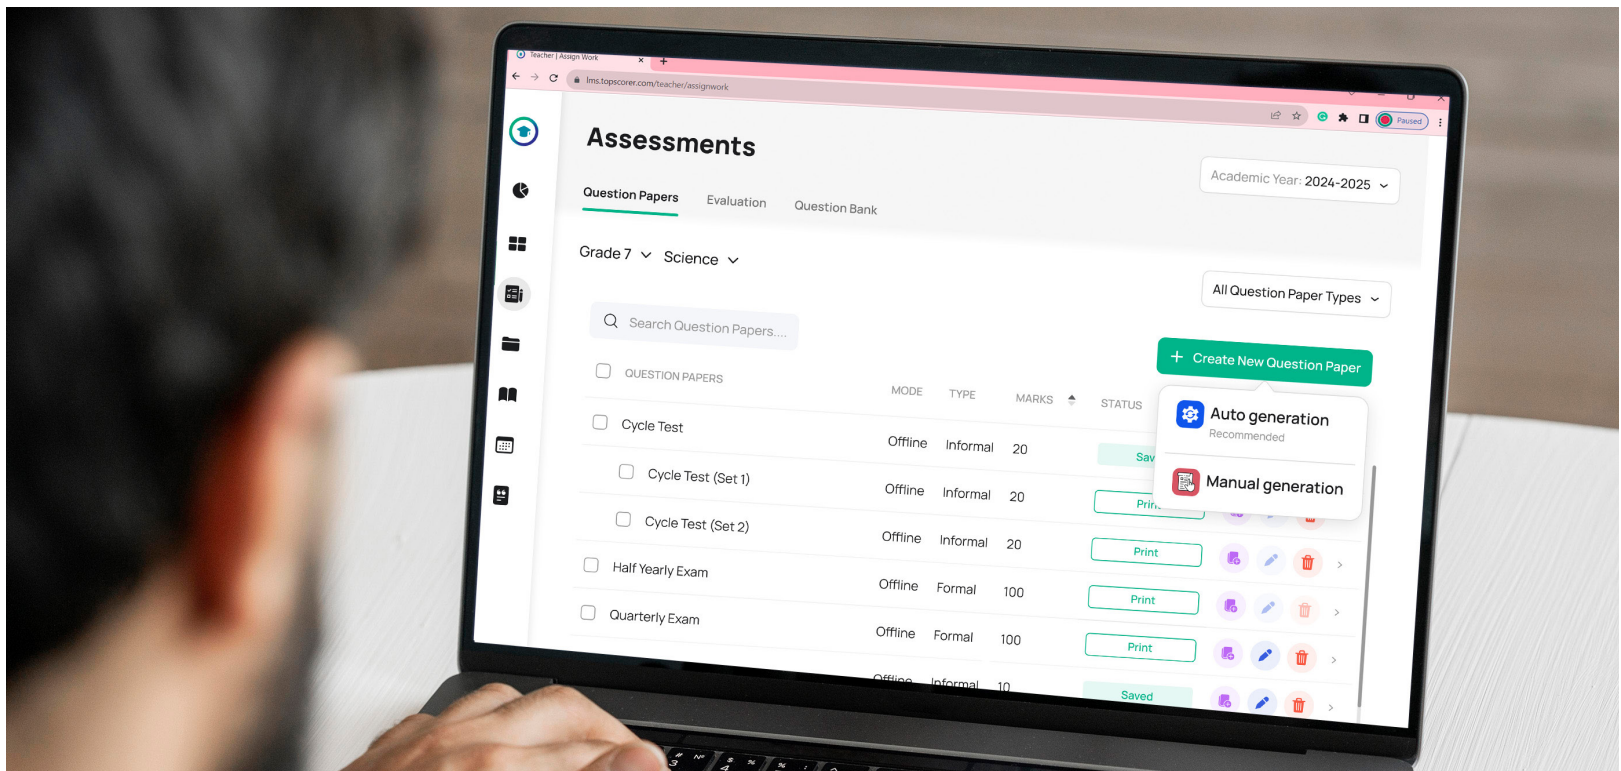

# TopAssess

TopAssess is an advanced assessment tool designed for schools to efficiently create, administer and evaluate. Through versatile question formats, AI enabled question paper generation and a robust approval process, it ensures high quality, curriculum aligned assessments for CBSE and CBSE pattern schools.

TopAssess platform offers a streamlined approach to creating, distributing, evaluating, and reporting on assessments, all within a single, integrated system.

## Top Features

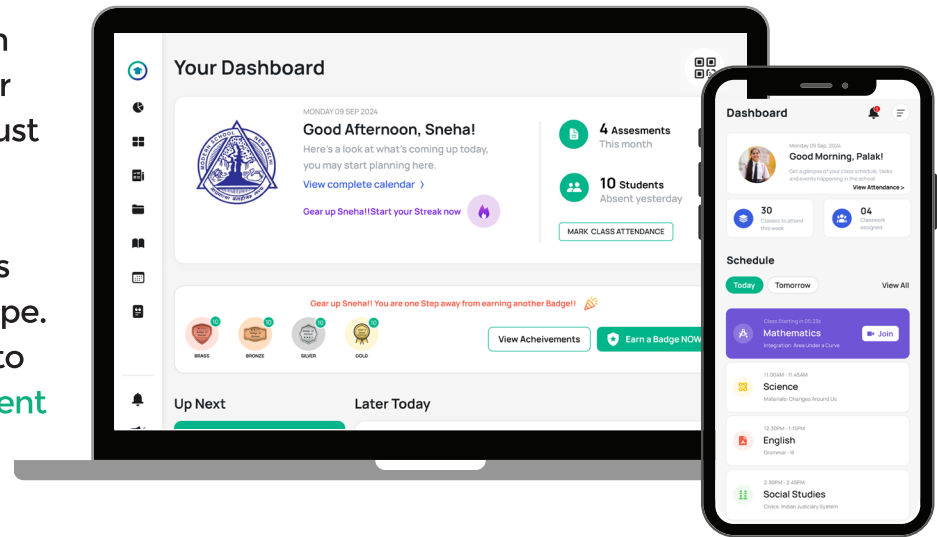

- 100,000+ Pre-built Questions
- 100+ Ready-to-use Question Paper Blueprints
- Ready to use question paper blueprints
- AI enabled Question Paper Creation in few clicks
- Real Time Performance Reports to identify learning gaps

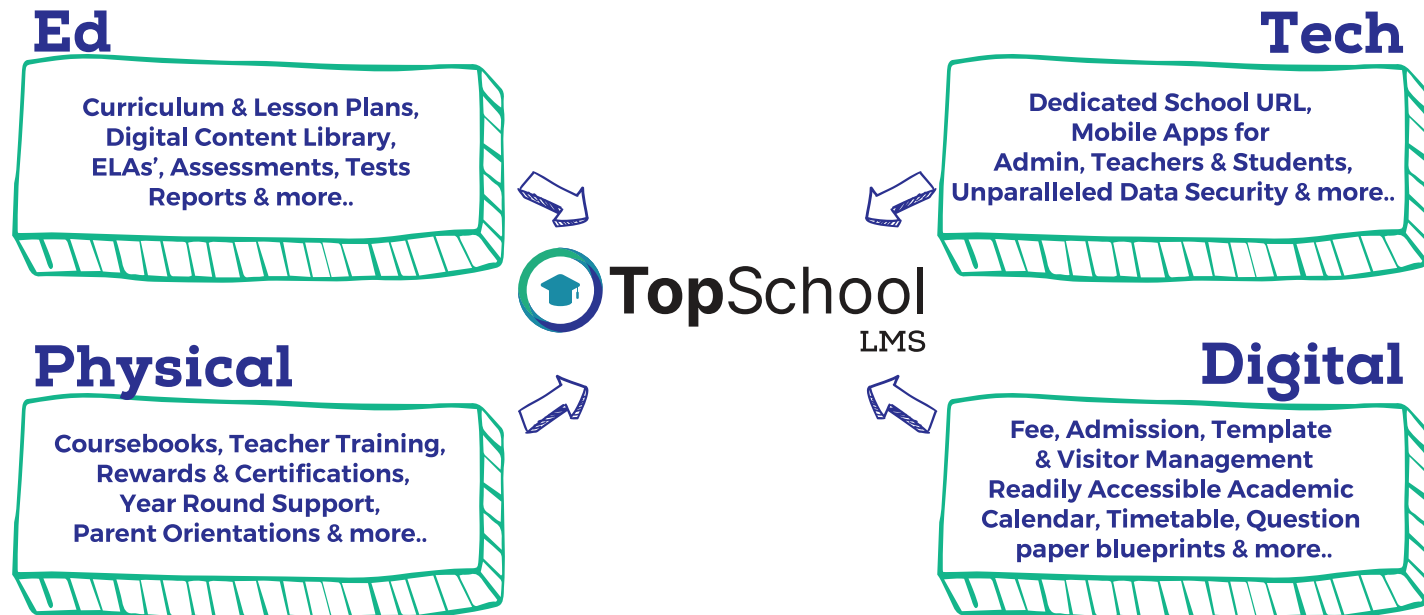

# TopSchool (for Grades Nursery to Grade 10)

TopSchool LMS seamlessly integrates the timeless benefits of traditional **books** with cutting-edge **technology**. This unique fusion not only **elevates the learning experience** for students but also equips schools with a robust management system.

NAVNEET TOPTECH's **TopSchool LMS** paves the way for a **redefined educational landscape**. It empowers educators and administrators to focus on what truly matters—**nurturing student potential** and **fostering a collaborative learning environment**.

## One Platform, Infinite Possibilities

Curriculum on TopSchool is integrated with TopSeries Coursebooks. Available for Grades Nursery to 8 & NCERT Grades 1 to 10.

# Top Testimonials

---

Using TopClass has brought a remarkable improvement to our teaching process. We have been using it for eight years, and the interactive modules make learning engaging and easy to navigate. I highly recommend it to anyone looking to enhance their knowledge.

- **Head Mistress, Lady Zubeida Quraishi English High School**  
**Pune, Maharashtra**

TopClass has made lessons more interactive and engaging for students. It helps track worksheet completion, improves student participation, and ensures easy navigation with well-organized content. It covers subjects with detailed explanations and solutions.

- **Teacher, Pragati English Medium School**  
**Pune, Maharashtra**

We have been using TopClass for 12 years, which has greatly improved how our students learn. Crystal-clear voiceovers, 2D & 3D animations, and interactive content make learning more effective and enjoyable. MSB TopClass has been an essential tool in enhancing our students' understanding.

- **Principal, Chhatrapati Shahu Academy & Science Junior College**  
**Satara, Maharashtra**

NAVNEET TOPTECH's support has been invaluable to our school. Their high-quality educational resources have significantly contributed to our students' academic progress and fostered a love for learning. We deeply appreciate their dedication to education.

-**Principal, Shri Mahavir Jain English School**  
**Mumbai, Maharashtra**

TopClass software is user-friendly and efficient. Since it works offline, it eliminates internet issues, making it more reliable for regular use in schools. It saves teachers valuable time and energy, and the company's service is excellent.

- **Principal, Adarsh High School**  
**Wardha, Maharashtra**

TopClass has significantly improved the learning process for students and teachers alike. It simplifies complex topics, making them easier to understand. The service provided by the company is also reliable and satisfactory.

- **Principal, Saraswati Vidya Mandir**  
**Wardha, Maharashtra**
