THE HOLISTIC PROGRESS CARD TRACK GROWTH, NOT JUST MARKS

01

BEYOND ACADEMICS:

The Holistic Report Card evaluates not just academic performance but also domains like cognitive, socio-emotional and ethical development, physical, language and literacy and creative development, ensuring a well-rounded assessment of each child.

02

ACTIONABLE INSIGHTS:

Teachers and parents receive a clear and nuanced picture of their child's learning journey helping initiate actionable steps to guide further.

03

SEAMLESS TRACKING:

The learning outcomes are assessed after each milestone, enabling tracking of each learner's progress and providing timely feedback and focusing on remedial actions.

With the Holistic Report Card, every child's unique journey is understood, nurtured, and celebrated. It's more than just a report card, it's a window into a child's holistic development.

The Holistic Progress Card redefines traditional assessments by focusing on a child's overall growth, that goes beyond grades to track progress in every aspect of a child's learning journey.
